Dear Acha,

I miss you very much. I hope that you and our family have been doing well. I am still in this bad situation. Everyone still ignores my concerns. I don't know who to go to to talk to about this. I plan on talking to the school principal. He seems like a understanding person. Hopefully, he will understand my situation and be able to help me. I am not happy here. I want to go home, but no one listens to me. I have made videos, and I hope the court sees them and changes their minds. I hope I will see you soon, I don't understand how anyone could do this to our family. I used to have such a great life. I used to be such a great chess and table player. I would be in the 11th grade right now. I have lost so much. I hope this all comes to an end soon.

Love,

Your son,
Surya Nair
